私は、本人の同意を得て、次の者を、公立大学法人県立広島大学理事長選考対象者として推薦します。

(ふりがな) 理事長選考対象者氏名	(よしかわ とみお) 吉川 富夫
現職名又は最終職名	県立広島大学経営情報学部教授
<p>推薦理由</p> <p>Dr. Yoshikawa has a great many achievements as a government official at TMG (Tokyo Metropolitan Government) and EPA (Economic planning Agency) and TIMR (Tokyo Institute for Municipal Research), for many years including TMG representative to NY and Researcher for US regional economies.</p> <p>After joining the Faculty of Management, Prefectural University of Hiroshima in 2005, he has been making great efforts for teaching and studying on many modern public management issues and regional economic issues at Hiroshima Prefecture. He has been very supportive for solving management issues at our University, as an Assistant to the President and management committee members of The Japan Association of Public Universities. In addition, he has been working as a chairman of several consulting committees for the Prefectural Government of Hiroshima and many local municipalities in Hiroshima Prefecture.</p> <p>His personality is very honest and open minded and accountable to others. I think his deep and wide background in government service and academia, knowledge and personality will be very suitable for university president, who needs to be a globally minded and thoughtful leader under New Midterm Plan.</p> <p>For all the above reasons, I recommend him strongly as a new president of Prefectural University of Hiroshima.</p>
